

Accelerated Growth Opportunities

Who We Are

The Minority Business Accelerator (MBA) is the economic inclusion initiative of the Cincinnati USA Regional Chamber. The mission of the MBA is to accelerate the development of sizable African-American and Hispanic owned business and expand the regional minority entrepreneurial community.

What We Do

The MBA is in the business of helping Minority Business Enterprises (MBE) overcome growth barriers. We create new opportunities for African-American and Hispanic owned businesses, connecting them with the right resources and results-driven strategies that fuel their growth.

How We Do It

Assess.

We listen and learn about your company.

Analyze.

We study what works and what doesn't.

Plan.

We make recommendations that link strategic solutions to your unique business goals.

Act.

We help you execute the plan.

Measure.

We stay with you after the plan is done to ensure success.
